In changing a child's view

{ PLEASE JOIN US IN }

Finding cures. Saving children.

St. Jude Children's Research Hospital—the place where many doctors send their sickest patients and toughest cases. Where cutting-edge research and amazing discoveries happen every day. Where children are accepted and treated without regard to the family's ability to pay. Not only has St. Jude touched countless lives, it has changed the way the world treats children with cancer and other catastrophic diseases.

Since 2008, Window World Cares has raised over \$2.5 million, enough to operate St. Jude Children's Research Hospital for more than one day. One hundred percent of your donation goes directly to St. Jude. To learn more about St. Jude, please go to www.stjude.org.

Simply fill out the pledge card below and send in your contribution. Retain the stub portion for your tax records. Together, we will help brighten the view of the children in need.
